# Course Description

The goal of this course is to provide the students with the necessary skill to perform surgeries for fixing zygomatic and pterygoid implants, thus allowing the rehabilitation of patients with severe maxillary atrophy, without the need for bone grafts. Thereby reducing morbidity and treatment period with predictability.

Each Participant will perform 4-5 surgeries, 6-8 Zygoma and 2-4 Pterygoid Procedures.

# Course Format

## ✔ 8 Hours of Instructional Material

- Review diagnosis of the severely resorbed maxilla
- Rational for stem cells to achieve bone graft success
- Hands-on workshop (on take-home anatomic models)

## ✔ 3 Full Days of Surgical Experience

- Zygomatic implants
- Pterygoid implants
- Nasalis Implants

## ✔ What you will learn

- How to identify the correct treatment plan .
- Perform a variety of different surgical approaches.
- How to do the Zygomatic implant positioning .
- Perform Pterygoig Implants.
- A Variety of mucoperiostal flap for Zygoma exposure.

## Cancellation Policy

We offer a flexible cancellation policy for our courses. If you need to cancel your registration, we ask that you do so at least one month before the scheduled course date to receive a 50% credit. If you cancel before the two-month deadline, we will provide a full credit. Unfortunately, we cannot offer any credit for cancellations made within one month of the course date, unless it is an individual case such as illness, which will be reviewed and decided by the regional manager. It is important to note that the credit for hotels is separate from the course cancellation policy. We highly recommend booking your hotel accommodations with a flexible cancellation option. This will provide you with the necessary flexibility in case of unforeseen circumstances that may require you to cancel or change your hotel reservation. For doctors who have purchased implant packages, we offer credit for product purchases only. This credit is not transferable to other products or services. If you have any questions or concerns regarding your implant package credit, please contact our customer service team for assistance.
